3 Ways to Try Before You Buy

Evaluation Packs

Evaluation Packs are the best way to assess our programmes. They give you all the material you need to try out a programme in your classroom for 30 days. After that time, you can either purchase the pack, taking advantage of the special pack price, or return it in good condition using the FREEPOST label supplied. See the Oxford Primary Catalogue for details of the packs available.

Inspection copies

Books which may be adopted for class use are available to teachers on 30 days' inspection. After 30 days, if you find the book is suitable, you can keep it free of charge, providing you purchase at least another 15 copies. If you do not think it is suitable, you can return

it in mint condition. Items available on inspection are indicated with a square tick box in the I/A column of this order form.

Approval copies

If your school would like to try our products you can order them 'on approval'. This allows you to trial material for 30 days, after which time, you can either purchase it, or return it in mint condition. Returns labels are available on request. If you'd like to receive books on approval, simply tick the square tick box in the I/A column of this order form.

For more information on any of these policies, call Customer Service on **01536 741171**.
