Doli Incapax

The CA held in *R v T* [2008] EWCA Crim 815 that the concept of *doli incapax* as a defence was abolished by s34 Crime and Disorder Act 1998 thus ending the dispute as to whether only the presumption or the concept was covered by the Act. See Crim LR [2008] 721. See for background information the commentary to *DPP v P* [2007] EWHG 946 (Admin) Crim LR [2008] 165.
